APPENDIX E.

(TRANSLATION OF THE REPRESENTATION PRESENTED TO THE DEWAN OF MYSORE BY SUBJECTS OF THE MYSORE STATE).

To

M. R. Ry. K. SHESHADRI IYER, C. S. I.,

Dewan to His Highness the Maharaja of Mysore.

The whole community of Brahmins in the Mysore State most respectfully beg to state as follows :—

On the representation of the members of the Kadur District in the Dasara Assembly held last year, regarding the establishment of Sanskrit schools by the Heads of the various Matts, you were pleased to observe that though such establishment of schools forms part of the duties of Matadhipatis, yet public opinion on the subject was necessary (to enable the Government to move in the matter).

There is no doubt whatever that such a commendable arrangement is universally approved of and necessary.

To ascertain the opinion of the Heads of Matts on the subject, the inhabitants of the Kadur District represented to His Holiness the Sri Sringeri Guru who has been pleased to reply approving the scheme. Copy of the representation made to the Guru and his reply thereto is herewith annexed.

In conclusion, we beg to request that steps may be taken for the establishment of schools by the Heads of various Matts for teaching Sanskrit and Vedas in places where there are large numbers of Brahmins.

His Holiness has been pleased to vouchsafe a favorable reply, copy of which is annexed to this. Kindly peruse the enclosure and let me know if you approve of the proposal.
